

NKU Music Preparatory Tuition Assistance Application

Eligibility: Tuition assistance is available to NKU Music Preparatory students for lessons, classes, and ensembles. Tuition assistance is awarded on the basis of financial need, demonstrated musical potential and/or achievement, and merit:

- **Financial need:** determined by the student's yearly income, as shown on page one of their federal tax form or their SSI statement, to be submitted with this application.
- **Demonstrated musical potential and/or achievement:** determined by a Teacher Recommendation Letter that must be submitted with this application.
- **Merit:** Students who excel in their study may be chosen to receive a merit-based award. Recipients are chosen from faculty nominations. The student does not submit any application form.

Applications: Awards are non-renewable and may only be applied to the semester indicated on the award. All awards are applied to the student's registration account as a credit. Applications are accepted on a continuing basis and reviewed by a committee for consideration.
